

Prayer to **St Peregrine**, patron saint of cancer
Feast Day May 2nd

O God, who gave to St Peregrine an angel for his companion, the Mother of God for his Teacher, and Jesus for the Physician of his malady; grant, we beseech Thee, through the merits, that we may on earth intensely love our holy angel, the Blessed Virgin, and our Saviour, and in heaven bless them forever. Grant that we receive the favor for which we now petition. Through the same Christ our Lord. Amen.

Say one Our Father, Hail Mary, Glory be to the Father, with the invocation:

St Peregrine, pray for us.

St Peregrine (rhymes with ter'rapin) was converted by St Philip, OSM. He entered the Order of the Servants of Mary in 1283. Thus began 62 year of unbelievable penance as Peregrine made reparation for the sins of his youth.

St Peregrine is universally invoked as Patron of cancer victims because a cancerous growth on his own leg was miraculously cured.
